Our Promise to you!

Our promise is to provide you a secure platform to share your beautiful and cre8tive artwork with current customers and clients, plus grow your art business to reach new customers.

We offer a website to share and sell your goods and services, collaborate with other artists, engage through social media and use the website to sell your products and art kits.

I started The Cre8tive Place as a way to share my passion of art with others. My mission is to help other artists be more successful. The Cre8tive Place is here to guide and support artists who are looking for more ways to connect and grow.

As an artist and business owner, I am open to your ideas and suggestions as we grow together in this partnership at The Cre8tive Place.
